

Medical and non-medical mandatory requirements for:

Dental Assisting (DENA)

Your program requires that you provide proof of the following documentation prior to starting any of your program's lab/clinical components. Please connect with your Placement Coordinator if you have any questions.

Please note...

- All requirements must remain current/up to date throughout the duration of your labs/clinical experience.
- Original documents will be required for uploading to a third-party provider for verification.
- The typical deadline date to attain and provide these documents for your program is January 30

Medical requirements

- Tetanus/Diphtheria/Pertussis (adult dose on or after 18th birthday)
- Measles Mumps Rubella (2 doses of vaccine or proof of immunity)
- Hepatitis B (documentation regarding immunity status)
- Varicella (vaccine or documentation of immunity status)
- Tuberculosis Screening (documentation of 2-step mantoux skin test, subsequent 1-step – required annually)
- Polio (vaccine or documentation of immunity status)
- Influenza vaccine (obtained annually when vaccination becomes available)
- COVID-19 Immunization

Non-medical requirements

- CPR (Level C – required to renew every 3 years)
- Criminal Record Check with Vulnerable Sector Screening
- Mask Fit (Valid for 2 years specific type required for program)
- WHMIS Training (required to be renewed every 3 years)
- Accessibility for Ontarians with Disabilities Certificate (AODA)
- Worker Health and Safety Awareness in 4 Steps (Bill 18)

Further communication and instructions will be provided to you at a later date.
